God's Desire For Us Is To...

Give Generously

Command people who are rich in this world not to be proud. Tell them not to put their hope in riches. Wealth is so uncertain. Command those who are rich to put their hope in God. He richly provides us with everything to enjoy. Command the rich to do what is good. Tell them to be rich in doing good things. They must give freely. They must be willing to share. In this way, they will store up true riches for themselves.... Then they will take hold of the life that really is life. 1 Timothy 6:17-19
