God's Desire For Us Is To...

Give Faithfully

Hezekiah gave an order to the people who were living in Jerusalem. He commanded them to give to the priests and Levites the share they owed them. Then the priests and Levites could give their full attention to the Law of the Lord. The order went out. Right away the people of Israel began to give freely. They gave the first share of the harvest of their grain, fresh wine, olive oil and honey. They also gave the first share of everything else their fields produced. They brought a large amount. It was a tenth of everything.... Hezekiah and his officials came and saw.... When they did, they praised the Lord. And they blessed His people Israel. 2 Chronicles 31:4-8
